Dear Club,

I thought I would take this time to tell you all about a rather nice first time experience for me, my first shag outdoors.

My fiancée, Christine, and I had talked about it occasionally but it had never gone beyond the odd joke and 'maybe one day' kind of comments. Then the other week I mentioned it when we had been having a few drinks. She thought about it for a few seconds, winked and then said, "Why not?" Needless to say, I didn't argue.

The next week, on one particularly sunny Wednesday, we both had time off work, so we decided today would be 'The Day'. I must admit to being a bit nervous, with visions of some old dear walking her dog and seeing my hairy arse banging up and down. So we packed a few bottles of wine into a bag for our little sex picnic. Of course, in reality there was only one thing I wanted to tuck into that day – Christine's gorgeous little pussy!

As we sat on the bus, Christine began slowly stroking my thigh, whilst at the same time looking out of the window, as if nothing could be further from her mind. Every now and then she would give my throbbing knob a light grope. I thought I would come in my jeans there and then.

Christine looked gorgeous. She knows I've always had an eye for her beautiful big tits, so she wore a low cut summer dress that didn't really leave much to the imagination. From where I was sitting, I could see right down her cleavage, as her tits strained in her tight clothing. She was driving me wild and she knew it.

The bus was quite empty. This seemed to encourage Christine to get more and more adventurous. She leaned over and nuzzled into my ear. We kissed and she took my hand and led it down between her legs. I looked around and when the few passengers were not looking at us, I slipped my hand up her dress. No knickers!

We looked at each other, Christine had a dirty look on her face that I hadn't seen in a while. I began to frig her hairy little pussy, which was already quite wet.

“She straddled my body, her pert pussy lips hanging over my throbbing boner.”

We carried on like this for a few minutes, as Christine struggled to keep her cries in, until she finally said, "Let's get off now!"

I managed to hobble off the bus, my raging stiffy bursting to get from my jeans. Then we were alone, in the country and both very horny! We walked for a little while until we found a secluded spot behind some bushes.

"I'll get the wine out," I said, my fear returning.

Christine shook her head. "Who needs it?" she said and pulled her dress over her shoulders with one swift movement. "I know I don't."

Looking at her standing there, with no knickers and only the flimsiest of bras, I realised I didn't need it either. The bra dropped to the floor. She pulled me towards her and we kissed. I fondled her lovely big tits, running my hands over her nipples, which were large and firm and needed to be sucked. I went down on my knees and did just that. Christine groaned, and roughly ran her hands through my hair. "Jesus, that's good," she gasped as my mouth continued to suck on her large hard nipples. She grabbed at my shoulders and tugged my T-shirt off. There

was no going back now. There was no way I could have stopped anyway. I had to have her, there and then!

I went down lower, parting her legs, exposing her hairy muff and pretty pussy lips. She knew what I wanted to do and put her left leg over my shoulder. Christine then leaned back onto a tree for balance and let my tongue dive into her waiting pussy.

Her snatch was already quite wet with excitement and this let me slide my index finger inside her as I began to lap at her sweet smelling pussy. I started with slow, confident strokes then followed with fast little flicks on her love button. This continued for a few minutes as she moaned and sighed loudly, seemingly oblivious to her surroundings, until she began to buck her hips, thrusting her pussy further into my face.

"Oh God... Oh, that's it... I'm going to come!"

I kept lapping hungrily at her pussy until Christine came and a trickle of her juice went down her thighs, which I licked up greedily in seconds. Christine gave me a big smile and then pushed me onto my back. She fell down on top of me, kissing me deeply, sucking her own juices from my mouth.

"You're for it now," she purred, as we rolled

around the grass. "I'm going to get every last drop out of you!"

"Bet you can't," I joked, as she wrestled with my jeans. They were soon around my ankles, and I was lying there, naked except for a pair of boxer shorts, my cock jutting up in the air, struggling to break free. Christine pulled my boxers down and in seconds my dick was in her mouth.

She took the full length in her mouth and slurped away on my tool whilst the sun shone down on our naked bodies.

My fiancée continued to suck on my length for a few minutes until she looked me in the eye with a wicked grin. "So, would you like to fuck me?"

Like I was going to say no, or something!

We kissed lovingly for a few more minutes, before she lay me down on the grass once more. She straddled my body, her pert pussy lips hanging over my throbbing boner.

"Oh please," I couldn't take any more teasing. I had to be inside her. Christine smiled and then slowly lowered herself onto my cock. The feeling was fantastic as my dick was engulfed in her dripping wet pussy. Our eyes met and she carried on riding me as we listened to the squelching noises her pussy made with each thrust.

"I want you to lose all your hot come in me," Christine breathed, her lips brushing my ear. "I want you to feel me gripping that cock as you push your way deep into my soft, wet pussy."

My hands grabbed her arse as she began to ride me harder, her body pressing against mine. She moved herself slightly, so that her big tits were in my face. "Suck those

nipples!" she said, a pink glow in her cheeks. "I want to feel your mouth as well as your dick!"

I couldn't last much longer than a few minutes of this. As I humped her with all my might, thrusting my meat deep into her, I began to moan and felt my come rising.

"That's it," she soothed, "I want that come. I want it all, shooting inside me, filling me!"

She got that alright. I let out a cry and emptied my balls inside my beautiful, sexy fiancée.

We lay on the grass for a while afterwards, enjoying the sunshine, before finally making our way back home.

As we got on the bus, I'm sure the driver knew what we'd been up to. Judging by the indignant look on his face, he was probably jealous. And rightly so!

Chris S, London.

California sunshine has the ability to make everything look like a picturesque dream, and bang in the middle of this swirling dreamscape is a thing of beauty. A woman, slowly drifting by the pool has caught our attention as she gently slips into the rock pool nearby. Aurbery is a sun lovely creature, who just can't rest stripping off.

"Everything is so much more enjoyable when you're naked."

Hats off to the young lady, we entirely agree, but back in old Blighty the sun is a shy phenomenon, and jumpers are more appropriate. Still, it gives us a good excuse for a holiday and to come back and visit Aubery!

Sunning herself by the pool, a warm summer breeze no doubt tickling her big nipples, we find Avy Scott, a beautiful, blonde bombshell who, as you might well have witnessed for yourselves, has been thrilling porn fans for almost a decade with her gorgeous curves and natural boobs.

Even though she's dipped in and out of the industry over the years, in the process earning herself a reputation for being a bit of an enigma, Avy has still managed to chalk up over 200 movies, and if anything her frequent breaks from the world of porn have meant that she's looking just as good today as she did when she kicked off her career back in 2001.

Indeed, Avy recently won the prestigious X-Rated

Critics Award for 'Best Cumback' after returning from yet another one of her hiatuses with a stream of sizzling performances, emphasising the fact that she's as gorgeous and up-for-it now as she's ever been.

But the question remains, what does Avy do on those random breaks from the industry? Well apparently she 'retired' without telling anybody in 2002, and on another occasion she left porn to study for a degree in Neuro Linguistic Programming. No, really... Who'd have thought such a swot would make a movie called *4 In The Pink*, *4 In The Stink 3*? It takes all sorts...

When the next hiatus will be, no one really knows, but our advice is to enjoy Avy while you can, starting with this very sexy spread...

CLAIRE 

Hold on to your helmets gentlemen, as Claire is ready to unlace her marvellous ripe and ready melons, from their encasement. In doing this, Claire is aware that she will reduce half the population to a dribbling mess, but her carnal lust is so strong she just can't help herself. Claire makes no secret of the fact that she's in need of a stiff rod to plunder her pussy, and looking around we can see quite a few chaps up to the job right now. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CONFESSIONS OF A SUNSHINE SLUT!

I can't stand cold, gloomy British winters so when I got made redundant last November, I decided – having no real ties or responsibilities for the first time in my adult life – to spend a chunk of my payoff on a long trip to Thailand, living on the cheap to stretch it out for as long as possible.

I rented a little hut on a beach – more like a campsite with one lot of shared toilets and showers. And if I was freaked out by the idea of living somewhere so basic, I soon got over it. It helped that the locals and my fellow beach bums were friendly – on my third night I met a lad from Finland, Olli. His English was really fluent – he even taught me a couple of dirty words I'd never heard before! He was also fit as fuck and so I spent my days lounging on the sand with him, and nights getting screwed stupid by the hardest dick I'd ever taken.

Obviously, I wasn't the only Brit there – in fact the guy from a couple of huts down was a Glaswegian, Greg. He was a dirty sod – after a week or so I barely turned a hair when I saw him stagger back with a local woman on each arm – and he was leching openly over me. I didn't blame him, if I say so myself – I was slimmer from eating light Thai food, and all toned and tanned from all the swimming, walking and lying about in the sun I did.

Olli wasn't the jealous type – in fact, he got a buzz out of winding Greg up and encouraged me to act sexy around him. Like,

if I went to wear a T-shirt to the beach bar, he'd tell me to take it off and let Greg see me in my skimpy bikini. One afternoon I was lazing around in the hut when Olli came in and whispered, "Greg's tossing himself off!" I'd had my headphones in so I hadn't heard a thing, but when I listened, it was pretty obvious that's what he was doing.

Typical of Olli's dirty mind and sense of humour, he said we should give Greg a bit of "wank fuel" – and as he was already stroking me through my bikini bottoms, I didn't say no. He rubbed me through the fabric then pulled them sideways so he could get his fingers in my slit. I was used to trying to muffle my moans and screams when we screwed, but now I just let myself go and realised how much a part of the turn-on they were for me.

Olli was wearing a pair of swim-shorts, so I had his cock out in seconds. He was already hard but I gave him a few bonus hand-strokes before taking him in my mouth for a blowjob. We got a bit of a commentary going, Olli telling me to suck him harder, take him deeper or lick his helmet. I couldn't have spoken with a mouthful that size even if I'd wanted to, but when I popped him out to take a breather – keeping him on the boil with a spit and pre-cum lubed wank – I kept gasping about how huge he was.

We were keeping an ear open for Greg's reaction, listening when we should have been looking – it took us ages to realise he was actually outside, watching us through a little hole in the window

“I planted my knees apart, cunt tilted up and splayed by my fingers...”

blind. And it seemed he had a hand down his shorts, wanking as he enjoyed the show. Now Olli, doing a perfect pisstake impression of Greg's Scots accent, said, “Hey, pal – wanna join in? I don't think my wee dick's gonna be enough for this lass.”

We thought he'd freak out and run a mile, but he came in and said, “Are you sure?” Olli said yes but Greg asked again, looking at me this time. I wasn't going to spit the mouthful I was gobbling but I nodded a pretty definite yes and gave him a thumbs-up. I'd been satisfied – slightly spoiled, if I'm honest – by the size of Olli's dick, and going by his skinny, wiry body Greg didn't look like he'd have as much to brag about. But if he didn't have much meat on him all over, he had plenty where it mattered. I felt myself goggle at the huge, wank-hardened length he got out of his shorts.

Olli saw I was impressed and grabbed the back of my hair – not roughly, just to tell me to get my mind back on the job, making it clear who was the alpha male here. And I really went for it, taking him in as deep as I could and rubbing his balls up against my chin.

Greg, not quite sure what to do, just stood

Olli eased his cock between my cheeks and deep into my anal cavity.”

there wanking, and I followed suit. The cock in my mouth with another one going spare got my empty pussy twitching and aching.

I planted my knees apart, cunt tilted up and splayed by my fingers, inviting him in. But the second he made a move, Olli pulled out of my mouth, got in behind me and rammed his cock in my snatch. I heard Greg moan – maybe in frustration or just at the live porn show he was getting. And while I felt relief at Olli fucking me – I’d have made it pretty bloody clear if I’d objected – I was a bit annoyed at him for screwing me like he owned me.

I kept looking at Greg, trying to catch his eye, then I winked at him and licked my lips. He walked around the front of me, palming his pole right in my face. I got a good eyeful of it – not literally! It was huge, red and swollen, the skin stretched so tight and smooth I licked it to see how it felt as well as tasted. It was hot and salty against my tongue and I thought he’d cum in seconds but when he looked to be in control, I started sucking him, further into my mouth and harder each time.

When I had half of his shaft crammed in, my moans were muffled, prompting Olli to bang me harder. He’d thrust in and out, thumping up against the head of my pussy then almost slipping out, then he’d fuck me deep, reaching under me so he could rub his hairy balls against my pussy lips. The harder and deeper he fucked me, the more I was forced on to Greg’s prick – he was too big to deep-throat comfortably, so I wrapped my hand around his root, controlling how far he slid in. This meant I could let him fuck my mouth however he wanted.

Little to my knowledge, Olli who I thought was busy slamming my pussy, suddenly began to poke at the entrance to my bum-hole, and due to the pounding my pussy had been receiving my juices had spread round, lubricating the entrance. So with a mouth crammed full of Greg I couldn’t protest as Olli eased his cock between my cheeks and deep into my anal cavity. He began to slowly pump, building up speed as he started to plough my arse with full-length thrusts. Nearly pulling completely free of my hole and then burying

himself in again. It was all I could do to carry on sucking Greg as I filled with an extreme and satisfying pleasure. If you’d told me, while I was slaving away at my stupid, boring job, that I’d end up in a beach hut, one hard cock ploughing me at each end, I’d have laughed in your face. But there I was, and now both guys were on the brink of cumming. Olli was trying to pace himself but Greg didn’t even try. He groaned that he was there and the next thing I knew, I was taking two ballsful of jizz in my mouth.

He sprawled back, a bit dazed – like he didn’t quite believe this either – then Olli hit the vinegar strokes. He grunted and I felt one hot jet inside me, then he pulled out, slapped his wet prick along my arse-cleft and blew his load all over my back.

Greg tried to sneak out so I said he’d better just be nipping off to get his sleeping bag, as we’d only just got started. Meanwhile, Olli rubbed his dick in the pool of cum, smearing it all over my cheeks and down my crack.

Once Greg was back, I lay in between them, letting them have their fun with me. I asked if either of them fancied doing me up the arse, but I already knew Olli wasn’t into that and I think he must have given Greg an evil look because he slid up my pussy

instead. Not that he didn’t sneak a thumb into my bum while he was pumping away!

One cock is more than enough for me but two was a treat – I’m convinced I cum harder if I’m sucking on a dick as I get screwed. Unfortunately, I didn’t get much more threesome fun, as Greg left to see more of the country a couple of days later. I hung around for a week or so after Olli went home, but it wasn’t really as much fun with him gone and my money was running out anyway.

I’m back in the UK and temping until I’ve got enough cash to go away when it gets really cold and dark – I’m not sure where to yet, but if it comes close to living up to my dirty Thai adventure, I’ll be happy!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

With some actresses, you have to look hard on their CV's to find the solo bit of side-boob flashing, or fleeting bum glimpse. This is not the case with Paz De La Huerta. The New York actress, designer and singer gives you the opposite problem – finding the movie or TV show she's in with some actual frickin' clothes on. Not that we're complaining. She didn't come onto our radar until she essayed the role of Lucy Danziger in HBO's excellent *Boardwalk Empire*, jumping in and out of Steve Buscemi's bed and flashing her excellent period muff. But that just sent us back into her filmography, where she shares her fantastic body in *The Guitar*, *Welcome to the Void* and pretty much constantly as the character 'Nude' in *The Limits of Control*. Yup, we're glad she's such a Paz dispenser... ♣

Penny Lee never fails to impress us with her blindingly obvious assets, and this shoot was no exception. And you lot seem to agree! Judging by the fact that every time we run a spread of her we receive sackloads of letters from adoring fans literally, most of them desperate for us to pass on their number.

But surely a girl like Penny can afford to be picky. We wondered if any of our readers would actually stand a chance, so we called her up

"I'm not a snob!" She laughed when we finally plucked up the courage to ask her. So there's hope for you lot yet it would seem!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Jaws Dropping!

The best mode of transport for any shark is, of course, a pram. It looks like it did the job, as 38-year-old Anthony Shannon, who took a juvenile horn shark from a petting tank

at the San Antonio Aquarium, brought the 16-inch long shark home and installed it in one three large aquarium tanks in his garage. The self-described marine activist stated, that the shark needed help after being squeezed by a visitor and that he "knew it would gain a lot of strength being in a proper environment," said Shannon referring to his tank at home. But this was no on the spot heist, Shannon had inspected the tank a month earlier after posing as a salt distributor, gaining access on the pretence that his company had sold them a faulty batch of salt, and he needed to check the levels. The Aquarium eventually realised it was the same man and Shannon was arrested and charged with theft.

Pump My Pistol!

Not all women are understanding when it comes to pornography, and in the case of Patricia Hill, she was damn right outraged that her husband 65-year-old Frank Hill had purchased a tickler through their television. Mrs Hill told Jefferson County Sheriffs office that she had shot her husband following an argument relating to purchased porn. Later she added that she asked Mr Hill to leave and when he refused she shot him twice with a 22-calibre pistol, once in the leg and then the second in the head. After doing so Mrs Hill telephoned 911 to tell the police what she had done, but her husband was discovered dead in the shed when the police arrived. Talk about shooting a loaded gun...

Rasher Thrasher!

Four legs good, two legs bad goes the Orwellian phrase, and in this case, I think we can say 'that pig dun good' after a burglar broke into a recently purchased house to be met by Dumplin, a fully grown hunk of pig. The family pet who was rescued from a shelter, was at home standing guard when the break-in occurred. The intruder smashed through the back door, but nothing was apparently taken, possibly owing to the fact that the intruder encounter Dumplin first. The single mother and her children were out at the time, with officers informing them of the attempted burglary and the hero of the hour. We hope Dumplin got to put his trotters up after.

WHAT'S SHE LIKE? A bundle of fun.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I fell in love with Sasha and want to emulate her.

GOOD TIMING – SHE'S JUST TAKEN A BREAK FROM MODELLING.

Damn, can't you bring her back? I want to do a lesbian set with her for *Club*. That's my dream!

SO YOU'RE A LESBIAN?

Not really, but I'll make an exception for her – and for a few others I've seen in *Club* too. But mostly I'm into men – you can't argue with a nice, hard dick.

WE'D LIKE TO SEE YOU TRY!

No, me and dicks are usually in perfect harmony. I give a pretty good blowjob, or so I'm told. I can't deepthroat, although I'm getting there. I'm pretty small, so it takes practice, so I make up for that with lots of spit, fast wanking and sucking on balls. It seems to work.

IT CERTAINLY DOES. CAN YOU EXCUSE US, WE HAVE TO GO SOMEWHERE...

No, come back. If that's a hard-on you're trying to hide, I can take care of that for you... ♣

Set amid the puffy white duvet and scattered pillows, lies Melissa Howe, stretched out with her dark hair fanned out around her. She seems almost stately as she poses for the camera, approachable, yet entirely in the moment of the shoot, with all the hustle and bustle of behind the scenes proving no distraction. No wonder her modelling took her all over the world last year, from Europe to America, Melissa was putting on quite the show. But it's good to have her back in Club.

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

BUBBLING UP!

I've had this little jacuzzi in my back yard for a couple of weeks now, but nobody to come and play with me in it. I'd like you to come and join me, to help me make the most of my new toy.

I hope you like my body – I sure do! I love going to the beach to show it off. I'll sashay along, with a sarong round my waist, watching all the jaws drop as I go jiggling by. There's a way to walk with a slight spring in your step that makes your titties bounce so jauntily, all eyes are drawn to them. But right now, it's just you and me, and this hot tub of bubbling water. I'm going to get in first, and warm myself up.

Mmmmm... that's the perfect temperature. Now, where is it... here it is, a nice big jet of water for me to sit on. As the water buffets against my delicate cunt lips, they become engorged and swell, so I can feel my already tight bikini bottoms getting even tighter around my pussy lips. I think it's time I took this top off, don't you? My breasts are now half-submerged in the water, so the water line cuts right across my nipples. As the water laps up and down, it gently kisses my nubs.

If I push my pelvis in and my bum out a bit more, I can change the angle so the water's

now bashing against my buttock. Cheeky! I start to flush at this point, getting more hot up now, and I can feel my sticky juices collecting in my pants. I know what wants a water massage next. Turning around so I'm facing the jet, I spread my legs to give my clit some liquid loving. Fuck, yeah, I think I can cum like this. In fact, I know I can cum like this, I have had this thing for a few weeks now, you know! I try to wriggle myself around my liquid cock, but my knees bang against the wall, and I just can't get close enough.

There is this one thing that I've wanted to try since I've had the jacuzzi but am unable to do on my own... Since you're here, would you mind helping me? I want to get my clit as close to this gushing stream as I can. If I stay facing the jet, and hook my legs over the side of the jacuzzi then my bum is right up against it. I just need you to step in and support my upper body – can you do that?

You swim over to me, rest my head and

around your waist, pulling you further inside me, and relax into a good finger fuck.

Another finger joins the first, and soon two fingers are sawing in and out of my cunt. You're opening me up and your fingers wriggle and stroke the inside of my walls.

With crooked fingers you start to massage that sensitive spot on my outer wall so my pussy starts really throbbing. Where the fuck did you learn to do that? I start to thrust my pelvis in time to your movements, gently at first, then slamming my cunt down on your fingers so soon I'm fucking them as much as they're fucking me. Harder, I need more inside me, I want to be filled, stretched.

Your eye falls on the dildo that I've casually left on the jacuzzi side. I'm not the world's most subtle hinker. You strip my bikini bottoms off me completely and hoist me up so I'm sitting on the side of the jacuzzi, one of my long legs running down each side. I can spread them quite wide, can't I? In this

“Another finger joins the first, and soon two fingers are sawing in and out of my cunt”

neck on your chest, and take a hold of my breasts, one hand on each. My nipples are so hard they feel like peanuts, and you tease them between thumb and forefinger as the jet pushes my sex button. That's so hot. I can feel a pressure building up in my lower body as my orgasm starts to build, and a pressure in my back where your swimming-trunk covered hard-on keeps brushing tantalisingly against my spine.

You start to pull and push me towards the spurting nozzle, play-fucking me with it so that although I've still got my bikini bottoms on, it feels like I have a watery lover in front, and you caressing me from behind.

You spin me back towards you and push me up against the wall. Pulling my bikini bottoms to one side you slide a finger right up my soaking gash, all the way in up to the knuckle. My bubbly encounters have left me hot and begging for it, you slide in all the way, no problem. I wrap my legs

totally splayed-out pose, you put the dildo to my pussy lips, and watch intently as the first inch glides in. You keep on pushing so it's four, five, six inches buried deep inside me, while I grind my pelvis on the shaft. You start to piston it in and out, watching my pussy lips grip its length.

I start to moan as your action gets faster and you get more into it so that soon all of the dildo is in me. The side of your hand slaps against my cunt and beats on my clit as you hammer the dildo in and out. I'm so full of pleasure it's hard to breathe so my breath is coming in strangled gasps. As the dildo comes out it's covered in my juices, and they're starting to trickle down in long strings into the pool. Make me cum, I need to cum.

My red hot pussy is starting to pulse, and you swoop in, enclosing soft lips around my clit and flicking across it with your tongue while still fucking the shit out of me with the dildo. Unable to withstand the arousal any more, with you still lapping at my clit and the dildo fucking me so fast it's a blur, I cum all over your hand and in your mouth. That's so good, and I'm screaming, leaning back on my hands and pushing my sex in your face, getting as much of the dildo in me as I can. Oh yeah...

That's a mighty hard-on you've got there. I think I can help you with that. Taking a breath, I dive deep underwater, free your cock from your swimming trunks, and take it in my mouth. It's a fat six-incher, and I breathe out,

“Water’s good, dildo’s better, but there’s nothing like the feeling of a big fat cock inside you”

letting bubbles of air dance all over your cock. I flick my tongue over your helmet, over the underside, before I have to come back up for air. Taking a deep lungful, you playfully push me back down under. I think I can fit all of you in me, and I'm going to try.

Opening my mouth wide, I engulf the whole of your length so your helmet is bashing against the back of my throat. Releasing the air once more so the bubbles tickle you again, I caress your meat with my throat, draw my lips back up, over your helmet ridge, and come back up for another breath. Third time down I lock my lips around your length and suck, taking all of your helmet in my mouth while I start to wank the rest of your shaft with firm strokes. Back up, then I'm sucking you, flicking my tongue all over your helmet and wanking you harder, faster, I can taste your salty pre-cum in my mouth and I want to be fucked by this cock. I want your hot, salty load inside me.

I push you over onto the little seat in the corner of the jacuzzi. Then, I slowly lower my wet hole onto your cock, sitting myself down on your tool, hard. As you enter me I sigh with bliss, water's good, dildo's better, but there's nothing like the feeling of a big, fat cock inside you.

As I start to rise and fall, I clench my pussy muscles, dragging your foreskin back up over your helmet and down again. My insides feel warm and wet, and they're

throbbing around you. I put a hand down to diddle with my clit as I rise and fall on your cock, sending water splashing over the sides.

You put your hands round my waist and start to lift me up and slam me down so I'm fucking you hard. When I go up I go right to the top so each stroke is like a fresh first penetration, and squeeze you all the way down.

Your hands are gripping my waist firmer now, pushing me up and down as you ram your meat into me, and I'm starting to cum again, clenching you tightly and furiously rubbing my clit in circles as I'm penetrated by you, so deep, it's so deep, and I can feel every vein, every ridge of your thick, meaty cock as my pussy starts to twitch around it.

You grab my tits and squeeze them hard in your hands and it sets me off, my pulsing walls spasming around your dick so you start to cum too. I gasp with pleasure as I feel your cock tremble inside me before splattering my insides with cum.

My orgasm peaks as you release your load inside me. It goes on for so long, each spurt making me tremble and judder in your lap, and as my sex beats around you one last time I breathe a sigh of relief.

As I get up, your spunk streams out of me and forms white strings floating in the water. I wonder how I'll explain that to the jacuzzi-cleaning guy...

MILF MONITOR!

Don't get me wrong, I've fucked loads of girls in their early twenties like me and enjoyed it but, ever since I screwed my landlady at college, I've always preferred women in their thirties or forties. For a start, they've been there and done it and when a forty-something sucks your cock you realise how practise makes perfect!

The landlady I mentioned could keep me on the edge of cumming for ages using just her lips and tongue. She knew just when to squeeze my balls or stop sucking so hard until I was literally begging her to finish me off. MILFs don't seem to have as many inhibitions as younger women, and I've done stuff I would never have experienced if it hadn't been for these older babes. For instance, a lot of yummy mummies I've shagged really like anal sex, and have no problem taking it up the bum. In fact, some of them have said they actually prefer it to ordinary shagging. They are also really good at using their whole bodies for sex and I've lost count of the times I've had my prick shoved in between a nice fat pairs of tits or spent an hour playing with a woman's lovely rounded arse.

In my experience older women are definitely more adventurous and love dressing up, for example. Most of them

wear stockings and heels when they fuck because it makes them feel sexy. Corsets and basques also hide any bits of their body that they aren't too happy about as they get older, which suits me fine as it's a great turn-on. I knew this one forty five-year-old who had a collection of rubber and leather gear and she loved getting all dolled up in her kinky gear and fucking my brains out.

Loads of MILFs also have no qualms about using dildos, vibrators and other sex toys as they have spent lengths of time without a real cock to please them. It's great watching a sexy woman wanking herself off with a fake dick stuffed up her cunt or better still as she sucks on your dick. Quite a few of them enjoy porn for the same reason and some I've met have had better collections than me. They don't seem to have a problem whacking on a porn DVD while we screw which is incredibly horny.

Women of a certain age are also less clingy and are a lot more likely to be up for a casual fuck unlike girls my own age. Sometimes I've met a MILF in a pub or club and within an hour I'm in between her thighs humping her like crazy, then after she's drained my prick she's cool about me fucking off. I don't really bother much

with birds my own age anymore as MILFs satisfy my every need. No ties, no moaning, no hysterics, just hot uninhibited dirty sex – what more could any man want?

Nigel, Bradford

CAKE AND EAT IT TOO!

It was my birthday last week and Sandra, my girlfriend, had promised me something special. I just assumed she was going to cook me a nice meal or take me out to a club as money is a bit tight, so I knew I wasn't going to find a new Mercedes waiting for me in the driveway.

Anyway, I turned up at her place at seven in my smart togs just in case it was the club option. She called down from upstairs, telling me to make a drink and wait in the lounge. After about 10 minutes the door opened and Sandra, who prefers slopping about in jeans and trainers to dressing up, walked into the room.

I almost spilled my drink! Firstly, instead of her usual short black bob she was wearing a long, peroxide blonde wig. She had thick red lipstick and shades on and a sexy black leather mini-dress, laced up at the front so her nice firm boobs bulged through the gap. Beneath the hem of the dress I could see the tops of her sheer black stockings, finished off with a pair of the highest patent black high-heeled shoes I'd ever seen. Was this even Sandra? I thought to myself as my prick began to rise in a salute to her efforts.

She tottered across the room to the kitchen without saying a word and returned with a huge cream covered cake totally smothered in lit candles.

"Happy birthday, baby!" Sandra said in her sexiest voice and placed the cake on the table. Still in shock, I watched as she lifted

the hem of the leather skirt to reveal her lovely bare cunt.

"Wanna see your present?" Sandra purred before pulling open her pussy lips and thrusting her crotch towards me. I could see right up inside her and dragged my cock out in order to release some of the pressure.

"Look, but don't touch," my girlfriend said as she picked up the cake and made me blow out the candles. "You get a piece of me and a piece of cake at the same time," she smiled, pulling the candles out of the cake. She positioned the cake in between her legs just below her gash and looked at me before pushing the whole cake against her pussy.

"Fucking hell!" I gasped as the creamy topping squidged all over her twat and thighs, covering the rim of her stockings and dropping in big dollops onto the carpet.

"Now eat, birthday boy!" Sandra commanded and pushed her goo-covered groin into my face. I lapped at the creamy icing, swirling it with my tongue into the crack of her slit so that the sweet taste of the cake mixed with the sweet taste of her love juice. I scooped up a handful of the cake from the plate and smeared it all over her arse and down her legs, following it with my mouth, sucking the lumps of sponge from between her bumcheeks and tickling her anus through the sticky mush.

"Now fuck me!" Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. I hadn't even managed to get my trousers off but I didn't give a shit as my prick slipped between her pussy lips, squelching the mess all over us, while she banged her fanny down hard against my crotch.

She wiped handfuls of my dessert all over her leather dress, squeezing it in

“Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. My prick slipped into her twat”

between the gap in the front onto her tits. She sucked on her fingers and came on top of me, bucking wildly as the orgasm ripped through her body with force. I pushed her off onto the sofa and stuffed my cream-drenched dick in her mouth, pumping in and out slowly before pulling it clear of her red-lipsticked lips and squirting what seemed like gallons of cum over her upturned face, splattering her sunglasses and gunging up her tarty fake peroxide tresses.

The room was a fucking mess with cake, spunk and cunt juice splattered all over the sofa, carpet and us but neither of us cared. We continued my birthday fuck feast for most of the evening before enjoying another fuck in the shower as we cleaned ourselves off. I never let on but the wish I made when I blew out the candles had come true better than I could ever have imagined – what a girl!

I t's going on for a year since Gina last let her clothes fall off for Club.

Her ambition then was to become a Hollywood superstar but, predictably, she's done nothing about it because she's been too busy working at a hairdresser's in Preston, Lancashire.

"I've been for a few film auditions, and they were fun, but I just ended up messing about and meeting new people to have a laugh with rather than work with," admits the stunning 25-year-old. "In fact, the only 'big part' I've had was when I went down on a boy pal of mine in the back row of the local cinema!

"I can't even remember what the film was. I just remember feeling really horny about halfway through and starting to let my hands wander across my mate's lap. We've messed about a bit before but nothing much more than kissing – so I think he was a bit surprised when I unbuttoned him and started sucking him off till he came down my throat..." Aah, we love a happy ending.

Blanka
PHOTOS: DAZGLAM

Blanka must be one of the most popular girls in Europe wearing a bikini like that.

"It gets a lot of attention, everybody notices a blonde girl in a silver bikini and hot pants!"

I suppose it's not the same kind of attention if I was to pop on a silver outfit and waddle around.

"I think the beard and general hairiness might be a game changer, though I'm sure there is someone out there who'd get off on see you strut around in my outfit."

I'm not convinced with my beer-addled belly, but that's one thing you can say about Blanka, she's a kind and generous soul.

KIARA!

We always get very excited when we get a whiff of a newbie, we're like bloodhounds in that way, poised for action, so when the right woman comes along, we can

jump right in. So when Brooklyn Blue sauntered into our studios, we all knew there was going to be a buzz about this one. Certainly not camera shy and with a bubbly personality to match, Miss Blue

has us in raptures in no time, and fighting to contain ourselves, which is why we couldn't resist popping her on this month's cover for an eye-catching spread. Bon appétit folks!
